

Mark Your Calendars for the Sister-to-Sister Summit on November 5, 2016

Great News!!! Approval has been received from the Trinity River Campus of TCC to provide the facility and food for the Sister-to-Sister Summit. The date is November 5, 2016. The partnership with Trinity River Campus is an extremely important component for the production of the Sister-to-Sister events. We are extremely grateful that the campus will continue to support the Summit.

Sister-to-Sister has been held since 2002. AAUW is joined by Delta Kappa Gamma, Delta Chapter, Fort Worth ISD, and TCU's Center for Urban Education in planning this Summit. The Summit is a successful way to reach middle school girls to stress the importance of learning. The ways of learning and what they learn and do now will profoundly influence their future.

This event brings together girls from five Fort Worth ISD middle schools who are partnered with college women from TCC, TCU, and other colleges for a day of fun and inspiration. The ISD counselors, who will accompany the girls, provide a link to the middle school campuses for the girls. The college women will receive training before the Summit so they can be fully prepared to be a Sister for the day.

It takes lots of women working during the planning stages and on the actual day of the Summit to create a successful experience for our girls and the college women. Please mark your calendars and plan to participate on **November 5, 2016**.

If you would like to be involved in the planning, please contact Mary DuBoise at mary.duboise@sbcglobal.net or 817-992-4751.

Mary DuBoise, Chair of Sister-to-Sister Summit 2016
