Happy Spring Time!

*New life is apparent, trees are budding, plants are turning green, flowers blooming and new energy is all around us. **"Spring is when life is alive in everything"***
-- Christina Rossetti.

It is a time of renewal! Time to renew our commitment to our AAUW mission as we complete the programs and activities planned for this year. Rejoice that a new slate of officers has been nominated for next year and that we have many talented leaders in our Branch. We are eagerly looking forward to our annual Spring Fundraiser next month, and we need the support of every member have to a successful event. Please donate items for the auction and get your tickets today. Your time and talent is needed in our AAUW Branch. Please serve on at least one committee, program, special interest group or event. It is heart-warming to work with AAUW friends as we make a difference on common causes of concern to us.

We are excited to have had awesome programs this year and very well attended! Please help to make all of our AAUW Branch events extra special and well organized by promptly submitting your RSVP or making adjustments when needed. It helps everyone to do a better job planning when the number of attendees is known in a timely manner. - - Barbara Cager, President

THE NEWS FROM AAUW TEXAS

COALITION OF PUBLIC SCHOOLS

AAUW Texas has joined the **Coalition for Public Schools.** Tarrant County Branch members Barbara Cager, Dawn Ellison, Orlew Lauger and Peggy Hendon attended the February 16 luncheon at Amon Carter Center at Lena Pope Home where the guest speaker was Rep. Jimmie Don Aycock, Chairman for the House Public Education Committee. Community attendees were challenged to get involved, care and support the public schools in our community, because this would aid in improving student success.

The Coalition for Public Schools stands strong in efforts to ensure that ALL 5.2 million Texas children receive the opportunity for a quality, public education. They were founded in 1995 and are comprised of religious, child advocacy and education organizations representing more than 3,000,000 Texans statewide. The Coalition opposes the expenditure of public funds to support private and religious schools through mechanisms such as tuition vouchers, tax credits and other types of vouchers. The Coalition supports school choice options within Texas public schools, including approaches such as magnet schools, open-enrollment campuses, and public school transfers. They believe vouchers are a political distraction from the state’s top priority: providing high quality neighborhood public schools that meet the educational needs of every Texas child. Their website is located at www.coalitionforpublicschools.org

THE NEWS FROM ASSOCIATION

New Research Report -- March 30 Launch Event with Cokie Roberts

Women have been leaders throughout history, and today the tradition of volunteer female leadership continues to flourish. Yet in terms of paid leadership, women's elevation to top positions is relatively rare. Why do men still vastly outnumber women in these positions?

AAUW's newest research report, [Barriers and Bias: The Status of Women in Leadership](#), explores this question, drawing from scholarly research and paying special attention to stereotypes and biases. The report provides recommendations for individuals and those in the education, corporate, and political sectors to contribute to an environment in which gender is no longer a barrier to leadership.

Be the first to see this new report:

1. **Register** [here to watch the Barriers and Bias launch panel webcast](#) .
2. **Sign up** [here](#) to get the report first thing on March 30 plus you'll be the first to get access to charts from the report, fact sheets, and more.

Think you are not biased against women leaders? Take the test: http://www.aauw.org/article/implicit-association-test/?utm_source=newsletter&utm_medium=email&utm_campaign=Mission-Feb16-2
